

VISHAL INDUSTRIES

Manufacturer of :
Wire Drawing Machines for Copper & Aluminium
Annealing Furnace, off-line anealer
All Accessories for Machines

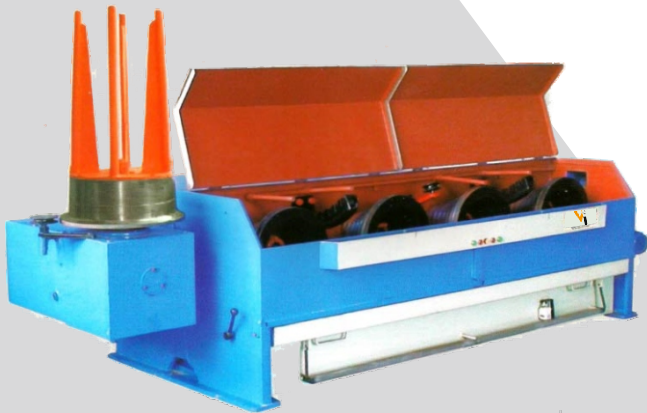

High ON PERFORMANCE

Low ON COST.....

About the Company

Vishal Industries World established in 2011 is a leading manufacturer of Wire Drawing Machine, Copper and Aluminum, Annealing Furnace & Off*line Aneler. We offer the most comprehensive range of machines to our valued customers. With the changing need of the industry and technology, we ensure that our customers remain well ahead of time.

The company with vast experience of more than a decade in the wire industry established its name as leading manufacturer for the Wire Drawing Machine, Multi strand Annealing Machine, Tinnign Machine, Pollution Control Device ad related accessories of wire industry.

WIRE DRAWING MACHINE INTERMEDIATE WIRE DRAWING MACHINE (For Aluminium & Copper Wire)

Model No.	Intet Wire Diamater (mm)	Finishad Wire Diamater (mm)
VI-9	4.00	1.62
VI-11	3.60 / 2.20 / 2.00	1.62 / 1.00 / 0.91

ROD BREAK DOWN MACHINE

Stepped Cone Type
(For Aluminium & Copper Wire)

Model No.	Intet Wire Diamater (mm)	Finishad Wire Diamater (mm)
VI-15	9.50 / 8.00	1.60 / 1.40
VI-17	9.50 / 8.00	1.40 / 1.20

FINE WIRE DRAWING MACHINE

4- Spindle Stepped Cone type
(For Copper wire)

Model No.	Intet Wire Diamater (mm)	Finishad Wire Diamater (mm)
VI-24	1.20	0.25
VI-27	1.62 / 1.20	0.20

SUPER FINE WIRE DRAWING MACHINE

4- Spindle Stepped Cone type
(For Copper wire)

Model No.	Intet Wire Diamater (mm)	Finishad Wire Diamater (mm)
VI-24	1.20	0.25
VI-28	1.62 / 1.20	0.19

MULTI WIRE ANNEALING MACHINE

off-line (For Copper wire)

Model No.	Number of Wire	Finishad Wire Diamater Range (mm)
VI-10-17	8 / 12	3.0 - 1.4
VI-17-25	8 / 12	1.4 - 0.5
VI-25-36	12 / 24 / 32 / 36	0.5 - 0.2
VI-36-45	14 / 18 / 24	0.19 - 0.070

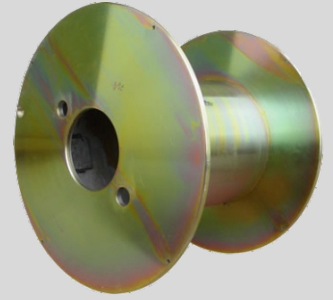

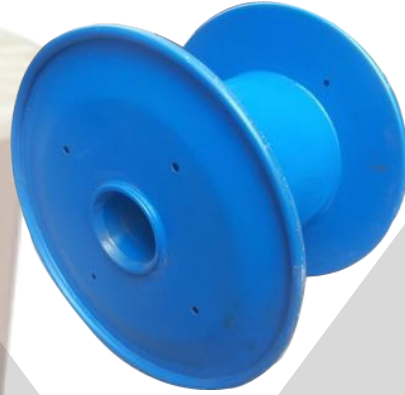

POINTING CUM THREADING MACHINE

For Ferrous and Non Ferrous Wire

Model No.	Pointing Caacity
VI-210 / 1	12 mm to 1.6 mm

MULTI WIRE ANNEALING MACHINE

VISHAL
INDUSTRIES

Manufacture of : Wire Drawing Machines, Copper & Aluminium
(Upto 0.071mm) Annealing Furnace & Off-line Aneler
